TOOLS

BLESSED JOSHUA G. BUSTAMANTE

CUSTOMER SERVICE VA | AI SPECIALIST | SOCIAL MEDIA SUPPORT

PROFESSIONAL SUMMARY

Creative and results-driven Social Media Manager and graduating Information Technology student with experience in content creation, short-form video editing, social media strategy, digital marketing, and online brand management. Skilled in creating engaging Reels, TikToks, YouTube Shorts, promotional graphics, captions, content calendars, and AI-assisted videos tailored to brand goals and target audiences. Experienced in developing marketing campaigns, identifying trends, managing social media pages, increasing audience engagement, and repurposing long-form content into high-performing short-form clips. Proficient in Canva, CapCut, Meta Business Suite, AI content tools, and digital productivity platforms, with strong skills in creative storytelling, branding, marketing research, organization, and content planning.

PROFESSIONAL EXPERIENCE

Social Media Manager

2025–2026

R & M Tiles Center • J & A Tiles Trading • InkPoint Prints & Services

- Plan content strategies, brand messaging, and weekly content calendars for multiple business pages.
- Create and schedule promotional, educational, product, relatable, and short-form content using Canva, CapCut, and Meta Business Suite.
- Write captions, hooks, CTAs, and respond to comments and messages when needed.
- Research competitors, trends, products, and content opportunities.
- Use AI tools like ChatGPT, Claude, Gemini, Sora, and Midjourney for research, ideas, copy, and content creation.
- Organize content tasks, track deliverables, prepare updates, and document workflows.

Real Estate Virtual Assistant

2024–2025

Applied Training & Real Estate Projects

- Manage CRM records, lead pipelines, follow-up tasks, lead auditing, data entry, and appointment-setting support with accurate documentation.
- Conduct property, owner, seller-lead, and comparable-property research using Sierra Interactive, Zillow, DirectSkip, PropWire, and Skipify.
- Support email/phone communication, organize follow-up schedules, prepare spreadsheets and status notes, and maintain client files and records.
- Prioritize tasks, coordinate pending actions, and support day-to-day remote operations while managing multiple workflows independently.

Registrar's Office Assistant

2024

King's College of the Philippines

- Managed student records, documentation, front-desk inquiries, and administrative requests with strong attention to accuracy and confidentiality.
- Organized files, coordinated requests across offices, prepared documents, and handled multiple priorities in a deadline-driven environment.

EDUCATION

KING'S COLLEGE OF THE PHILIPPINES

BS Information Technology
Major in Web & Mobile App Development
2022–Present

UNIVERSITY OF THE CORDILLERAS

ICT / Contact Center Services
2021–2022
